Domain 8: Alcohol and Drugs

1. Youth's alcohol use: *(Check all that apply.)*

☐No past use of alcohol ever
☐Past alcohol use*
☐Not currently using alcohol
☐Currently using alcohol*
☐Alcohol causes family conflict*
☐Alcohol disrupts education*
☐Alcohol causes health problems*
☐Alcohol interferes with keeping pro-social friends*
☐Alcohol contributes to criminal behavior*
☐Youth needs increasing amounts of alcohol to achieve same level of intoxication or high*
☐Youth experiences withdrawal problems*

2. Youth's drug use: *(Check all that apply.)*

☐No past use of drugs ever
☐Past drug use*
☐Not currently using drugs
☐Currently using drugs*
☐Drugs causes family conflict*
☐Youth experiences withdrawal problems *
☐Drugs causes health problems *
☐Drugs interferes with keeping pro-social friends*
☐Drugs contributes to criminal behavior*
☐Youth needs increasing amounts of drugs to achieve same level of intoxication or high*
☐Youth experiences withdrawal problems*

3. Types of drugs currently used: *(Check all that apply.)*

☐No current substance abuse
☐Tobacco*
☐Marijuana/hashish*
☐Amphetamines* (meth/uppers/speed/ecstasy)
☐Cocaine (crack/rock)*
☐Cocaine (coke)*
☐Heroin*
☐Inhalants*
☐Barbiturates (Tuinal/Seconal/downers)*
☐Tranquilizers/sedatives (Valium/Libnum/Dalmane/Ketamine) *
☐Hallucinogens (LSD/Acid/Mushrooms/GHB)*
☐Phencyclidine (PCP/Angel Dust)*
☐Other opiates (Codeine/Oxycontin)*
☐OTCs (cough syrup/Sudafed)*
☐Other drugs (Specify)*

4. Prior participation in drug/alcohol treatment program:

☐Alcohol/drug treatment never previously warranted
☐Never previously participated in needed treatment*
☐Previously participated in treatment program once*
☐Previously participated several times in treatment*

5. Current drug/alcohol treatment program participation:

☐Alcohol/drug treatment not warranted
☐Not currently attending needed treatment program*
☐Currently attending treatment program
☐Successfully completed current treatment program
☐Unsuccessfully completed current treatment program*

Notes:

Domain 9: Mental Health

1. History of violence/physical abuse: *(Check all that apply.)*

☐Not a victim of violence/physical abuse
☐Victim of violence/physical abuse at home*
☐Victim of violence/abuse in a foster/group home*
☐Victimized by family member*
☐Victimized by someone outside the family*
☐Attacked with a weapon*

2. History of being a victim of sexual abuse/rape: (Check all that apply.)

☐Not a victim of sexual abuse/rape
☐Sexually abused/raped by family member*
☐Sexually abused/raped by someone outside of the family*

3. History of being a victim of neglect:

☐Not a victim of neglect
☐Victim of neglect*

FLORIDA PREVENTION ASSESSMENT TOOL 1.0 (PAT)

(Continued) 4. History of suicidal ideation: Include any previous thoughts, threats, plans and attempts even if youth indicates they were manipulative or there was no intent.	☐Has never had thoughts about suicide ☐Has had serious thought about suicide* ☐Has made a plan to commit suicide.* If yes, describe ☐Has attempted to commit suicide.* If yes, describe
5. Current suicidal risks: *(Check all that apply.)*	☐No suicide risks ☐Feels life is not worth living—no hope for the future* ☐Knows someone well who has committed suicide.* If yes, who and when ☐Engages in self-mutilating behavior *

6. Mental health problems currently interfere in working with the Youth:
☐No current mental health problem ☐Mental health problem(s) do not interfere in work with youth* ☐Mental health problem(s) interfere in work with youth*

Notes:

Domain 10: Attitudes/Behaviors

1. Impulsive; acts before thinking:
☐Uses self-control; usually thinks before acting ☐Impulsive; often acts before thinking*
☐Some self-control; sometimes thinks before acting ☐Highly impulsive; usually acts before thinking*

2. Belief in control over anti-social behavior:
☐Believes he or she can avoid/stop anti-social behavior ☐Believes his or her anti-social behavior is out of their control*
☐Somewhat believes anti-social behavior is controllable

3. Empathy, remorse, sympathy, or feelings for the victim(s) of criminal behavior:
☐Has empathy for victim(s) ☐Has some empathy for victim(s) ☐Does not have empathy for victim(s)*

4. Respect for authority figures:
☐Respects most authority figures ☐Resents most authority figures*
☐Does not respect, resents some authority figures* ☐Defies or is hostile toward most authority figures*

5. Attitude toward responsible law abiding behavior:
☐Abides by conventions/values ☐Does not believe conventions/values apply to him or her*
☐Believes conventions/values sometimes apply to him or her* ☐Resents or is hostile toward responsible behavior*

6. Accepts responsibility for anti-social behavior:
☐Accepts responsibility for anti-social behavior ☐Accepts anti-social behavior as okay*
☐Minimizes, denies, justifies, excuses, or blames others* ☐Proud of anti-social behavior*

Notes:

Domain 11: Aggression

1. Hostile interpretation of the actions and intentions of others in a common non-confrontational setting:	☐Primarily positive view of the actions and intentions of others ☐Primarily negative view of the actions and intentions of others* ☐Primarily hostile view of the actions and intentions of others*

PRODIGY
Cultural Arts Program
"Transforming Young Lives"

FLORIDA PREVENTION ASSESSMENT TOOL 1.0 (PAT)

(Continued)

2. Belief in fighting and physical aggression to resolve a disagreement or conflict:

☐Believes physical aggression is never appropriate
☐Believes physical aggression is sometimes appropriate
☐Believes physical aggression is rarely appropriate
☐Believes physical aggression is often appropriate*

3. Reports/evidence of violence not included in criminal history: *(Check all that apply.)*

☐No reports/evidence of violence
☐Violent outbursts, displays of temper, uncontrolled anger indicating potential for harm*
☐Deliberately inflicting physical pain*
☐Using/threatening with a weapon*
☐Fire starting*
☐Violent destruction of property*
☐Animal cruelty*
☐Sexual misconduct*

Notes:

Domain 12: Skills

1. Consequential thinking:

☐Does not understand there are consequences to actions*
☐Understands there are consequences to actions
☐Identifies consequences of actions
☐Acts to obtain desired consequences—good consequential thinking

2. Goal setting:

☐Does not set goals*
☐Sets unrealistic goals*
☐Sets somewhat realistic goals
☐Sets realistic goals

3. Problem-solving:

☐Cannot identify problem behaviors*
☐Identifies problem behaviors
☐Thinks of solutions for problem behaviors
☐Applies appropriate solutions to problem behaviors

4. Dealing with others: *Basic social skills include listening, starting a conversation, having a conversation, asking a question, saying thank you, introducing yourself, introducing other people, and giving a compliment. Advanced social skills include asking for help, joining in, giving instructions, following instructions, apologizing, and convincing others.*

☐Lacks basic social skills in dealing with others*
☐Has basic skills, lacks advanced skills in dealing with others
☐Sometimes uses advanced social skills in dealing with others
☐Often uses advanced social skills in dealing with others

5. Dealing with difficult situations: *Includes making a complaint, answering a complaint, dealing with embarrassment, dealing with being left out, standing up for a friend, responding to frustration, responding to failure, dealing with contradictory messages, dealing with accusation, getting ready for a difficult conversation, and dealing with group pressure.*

☐Lacks skills in dealing with difficult situations*
☐Rarely uses skills in dealing with difficult situations
☐Sometimes uses skills in dealing with difficult situations
☐Often uses skills in dealing with difficult situations

6. Dealing with feelings/emotions: *Includes knowing his or her feelings, expressing feelings, understanding the feelings of others, dealing with someone else's anger, expressing affection, dealing with fear, and rewarding oneself.*

☐Lacks skills in dealing with feelings/emotions*
☐Rarely uses skills in dealing with feelings/emotions*
☐Sometimes uses skills in dealing with feelings/emotions
☐Often uses skills in dealing with feelings/emotions
